Mrs. Shaffer  
c/o Westminster Synagogue  
Rutland Gardens  
London S.W. 7, England

Dear Mrs. Shaffer:

I am writing to you in behalf of the East Northport Jewish Center.

Our Synagogue would greatly appreciate the loan of one of the Holocaust Torahs which I understand are in your custody.

To be able to display a Torah rescued from the Holocaust would be, I feel, an emotionally uplifting experience for our entire Congregation which numbers 500 families. More than that, it would be a monumental history lesson for our youngsters in Hebrew School to be able to see a Torah and read its history from what was the darkest period in Jewish existence.

It is my understanding that the Torah is a non-kosher one and the cost to our Temple for the loan would be \$200.00.

If you could let me know as soon as possible when we may have the Torah, I will make the necessary arrangements to have it shipped to us. A check will be sent immediately upon hearing from you.

Very truly yours,

*Stanley Goldick*

P.S. I am giving a copy of this letter to one of our Congregants whose firm has offices in London. They will be able to arrange shipment of the Torah. I will have them call you upon receiving your reply.
