Dear Rabbi Ian

I was delighted that you and your community participated in this amazing event. With 80 communities, 72 Torah scrolls and nearly 800 people it was the largest gathering we have ever had.

With the passage of time, these silent witnesses of the Shoah will soon become the only survivors and I greatly appreciate the work you do, not only recalling those who perished, but also using the scrolls for educational, inter and intra-faith work.

Thank you for joining our Czech Torah webpage project, making sure the scrolls and their story is never forgotten. We have made 354 reciprocal links on our webpage <https://www.memorialscrollstrust.org/index.php/scrolls>. with a target of linking over 1000 scroll-holders around the world.

With many thanks for all the important work that you do.

L'shalom  
Jeffrey
